

and we hope Grandpa will be
sorry we cannot send you any plain
directions as we do know ourselves be sure
and come straight off and send word
when you are coming.

now dear Grandma I must
conclude Father and Mother
and Harry send their love to you
and Grandpa and they send
their kind love to all your
friends and thank them much
for writing to us for you my
love to you and all I remain
your affection Granddaughter

Dear Grandma

we received your
friend letter and it says you are
wishing to come over and stay with
us father and mother say you can
come and live with us if you like
but they hope you can make your
self at home here for you must not
think anything about England when
you get here for we have got over
thinking about it for I think when
you get here you will be contented
as father have taken a farm as there
is plenty work out side to do father
is quite busy now he as got more than
he can do so that he would be very
glad of a little help so you are very
welcome to come for we do not like
to have you are not comfortable in

Mind if you come you must. Come
Sd rate off for we should like to
have you here as soon as you can get
here and be sure and send us word
when you and Grandpa is coming
so that we can meet you for the
depot is 1 mile off were we live
but the cars run thought the land
your freinds know more about how
you are to start to reach here then
we do as we have not been on the
trains much since we have been in
America but I guess you and Grandpa
will get here safe and sound.
Dear Grandma we were very glad to hear
you were quite smart I guess you
and I will have some good yet I
have never for got you I was always
talking about you I know I always
like you and so persume if you
come you will make you self
Contented here I know you will
