

**Transcripts of Stinchcombe Bishop's Transcripts**  
**Some dates given on the BT's are somewhat confusing; for instance, the sheet of paper carrying, "Stinchcombe October 1785" at its top also has entries lower down for November and December then the next month is named, "February 1785": I hope and have assumed for that and other similar happenings, the February was in 1786.**

**Every effort was made to try to ensure accuracy  
s.o = son of: d.o = daughter of: w.o = wife of and b.c.o. = base child of o.t.p. = of this parish**

**Dates are English style dd/mm and B = baptism: M = marriage and D = burial**

**There are missing dates in some years.**
